

**Standard Intellectual Property  
Assignment Agreement**

I understand that the Mount Sinai Health System’s (“MSHS”) policies regarding intellectual property policies and processes (the “Policy”), governs its handling of intellectual property and I agree to abide by the terms and conditions of these policies, as they may be amended from time to time.

Pursuant to these policies, and in consideration of my relationship with the MSHS, access to facilities, funds or resources of the MSHS and/or other valuable consideration, I hereby agree as follows:

1. I will disclose to the MSHS all intellectual property covered by the Policy. I hereby assign and transfer to the MSHS all my right, title and interest in such intellectual property.
2. I will sign and execute any documents that may be deemed necessary by the MSHS (i) to file and prosecute applications for copyright registration, and/or US and foreign patent applications for such intellectual property, and/or (ii) to transfer and secure to the MSHS my entire right, title and interest in and to such intellectual property and to any copyright, and/or patent applications for such intellectual property and to any patent(s) granted or to be granted on such applications.
3. I am now under no other obligations to any third person, organization or corporation in respect to rights in intellectual property which are, or could reasonably construed to be, in conflict with this agreement. I will not enter into any agreement creating obligations in conflict with this agreement.
4. This agreement is effective on the earlier of the date of my signature below, my date of hire, enrollment, matriculation, participation in projects research, or use of the MSHS resources, facilities, or funds and is binding on me, my estate, heirs and assigns.
