I. Choosing parent award InfoEd record: Steps 1 - 6
1. Log in to InfoEd
2. From the menu bar on the left side of the page, click My Proposals> Show List.
3. Find your most recently funded application in the List. Do not choose an application with “PD” in the GCO #.
4. Roll your mouse pointer over the folder icon under the GCO #.
5. Click on the paper icon in the “PT” section (Not PD). This is the “Edit PT Proposal” option. Do not click on the eyeglasses icon “.” That is the “View PT Proposal” option.)
6. InfoEd launches a new window, called “Proposal – Summary.” In the upper left hand portion of the screen, click on the Add New PD icon “Add New PD”

II. Adding administrative information for NIH diversity supplement (e.g., start and end dates of diversity supplement): Steps 7 - 15
7. InfoEd launches a new window, called “Additional Submission Questionnaire” and you are now at the step entitled “Step 1 Copy from an Existing Record” See below.

<tr>
<th>Additional Submission Questionnaire</th>
</tr>

<tbody>
<tr>
<td>This Proposal will be created with PI Last Name, PI First Name as the PI.</td>
</tr>
</tbody>
</table>
8. For supplements, the PI must remain the same as the PI on the parent award. The diversity candidate cannot be the PI. If a user other than the PI is setting up the application, it will default as the user so you’ll need to change to the PI. Click on “Change PI” > select the first letter of the PI’s last name > from drop down list, select PI >Click select. InfoEd returns you to the “Additional Submission Questionnaire” window.

9. Click on “Continue to Next Step” button.

10. Continue to “Step 2 “Non Competing Renewal” step. Click on “New Proposal” from drop down menu. (There is no “supplement” option.) Then click on “Continue to Next Step” button.

11. The selected parts of the proposal will be copied, and InfoEd displays a screen where you can review the choices made. See below.
12. In Step 6, enter the project period dates of the supplement. In most cases, you will need to prorate the period so the supplement fits within the parent award. You are strongly encouraged to consult the awarding Institute / Center (IC) contact staff and IC website for start date information. Refer to the Notice of Award (NOA) for the end date. After entering a start and end date, click on "Continue to Next Step" button.

13. You have now proceeded to “Step 7 How many years and/or budget periods would you like?” See below.

14. Click on “Continue to Next Step” button. (You don’t need to change the # of years from the drop down menu because you set the project period dates in “Step 6”.)

15. To proceed, click on the “Yes, Create Proposal” button.

III. Setting Up a non-S2S NIH Diversity supplement: Steps 16 - 19
