*** CALL FOR PAPERS ***

to be included in the peer-reviewed Special Issue of *NeuroToxicology* devoted to papers presented at the 28th International Neurotoxicology Conference entitled:

“Manganese Health Effects on Neurodevelopment and Neurodegenerative Diseases”

Every participant presenting a paper at this Conference - **from platform or poster** - is invited to submit a paper for the peer-reviewed proceedings to be published as a Special Issue of the international journal *NeuroToxicology*. The length of your paper may be as long as necessary to present and support the data. Papers will be rapidly peer-reviewed and published within a year!

A “Guide for Authors” is detailed on <http://ees.elsevier.com/neutox/>

THE DEADLINE FOR RECEIPT OF MANUSCRIPTS IS:

OCTOBER 31, 2016

Papers are published online ahead of print - and fully citable - as soon as they are accepted.

SUBMIT YOUR MANUSCRIPT ONLINE. Go to: <http://ees.elsevier.com/neutox/> and log-in as an Author. Click on “Submit Paper.” When selecting your **Article Type**, click on the dropdown box and choose **“MANGANESE2016-NYC.”** State in your cover letter the type of paper you are submitting from this list:

- Full Length Original Article
- Short Communication
- Mini-Review
- Commentary

If you have questions about the electronic submission process, email: support@elsevier.com

NOTE: Submission of a manuscript is not a guarantee of acceptance for publication. All manuscripts will be peer-reviewed. Not all papers are accepted; nearly all papers need revision.
