Paul Cummins
“Reconciling Environmental Ethics and Bioethics: An End to Humanism in Bioethics?”

Paul Cummins is Assistant Professor of Medical Education and a member of the Bioethics Program at the Icahn School of Medicine at Mount Sinai. He earned a Ph.D. in philosophy from The Graduate Center, City University of New York. Paul Cummins research is primarily in metaethics and applied ethics, specifically bioethics. His current focus is on conscientious objection by medical providers, and the prospects for integrating environmental ethics into bioethics.
