Scholarly Year Timeline

- Early January: Discuss your plans for a Scholarly Year with your advisor and the MSRs
- April 1: Deadline for application to most national programs
- May 15: Deadline for independent scholarly year programs
- Before SY: Take and Pass COMPASS and USMLE board exams (Step 1 or Step 2 CK)
- Before Nov 3: Take and Pass USMLE Step 2 CS, if relevant
- March 16: Submit the "Request to Return from Scholarly Year" Form
- May 1: Complete the checklist for Return to Clinical Rotations
- Submit a scholarly product (except students returning from a degree program)
