If I am incapable of making an informed decision regarding my health care, I direct my loved ones and health care providers to follow my instructions as set forth below. (Initial all those that apply.)

(1) If I am diagnosed as having an incurable and irreversible illness, disease, or condition and if my attending physician and at least one additional physician who has personally examined me determine that my condition is terminal:

   ___ I direct that life-sustaining treatment which would serve only to artificially prolong my dying be withheld or ended. I also direct that I be given all medically appropriate treatment and care necessary to make me comfortable and to relieve pain.

   ___ I direct that life-sustaining treatment be continued, if medically appropriate.

(2) If there should come a time when I become permanently unconscious, and it is determined by my attending physician and at least one additional physician with appropriate expertise who has personally examined me, that I have totally and irreversibly lost consciousness and my ability to interact with other people and my surroundings:

   ___ I direct that life-sustaining treatment be withheld or discontinued. I understand that I will not experience pain or discomfort in this condition, and I direct that I be given all medically appropriate treatment and care necessary to provide for my personal hygiene and dignity.

   ___ I direct that life-sustaining treatment be continued, if medically appropriate.
(3) If there comes a time when I am diagnosed as having an incurable and irreversible illness, disease or condition which may not be terminal, but causes me to experience severe and worsening physical or mental deterioration, and I will never regain the ability to make decisions and express my wishes:

_____ I direct that life-sustaining measures be withheld or discontinued and that I be given all medically appropriate care necessary to make me comfortable and to relieve pain.

_____ I direct that life-sustaining treatment be continued, if medically appropriate.

(4) If I am receiving life-sustaining treatment that is experimental and not a proven therapy, or is likely to be ineffective or futile in prolonging life:

_____ I direct that such life-sustaining treatment be withheld or withdrawn. I also direct that I be given all medically appropriate care necessary to make me comfortable and to relieve pain.

_____ I direct that life-sustaining treatment be continued, if medically appropriate.

(5) If I am in the condition(s) described above I feel especially strongly about the following forms of treatment: (initial all those that apply)

_____ I do not want cardiopulmonary resuscitation (CPR).
_____ I do not want mechanical respiration.
_____ I do not want tube feeding.
_____ I do not want antibiotics.
_____ I do want maximum pain relief, even if it may hasten my death.

(6) Pregnancy:

If I am pregnant at the time that I am diagnosed as having any of the conditions described above, I direct that my health care provider comply with following instructions (optional):
BRAIN DEATH:
The State of New Jersey has determined that an individual may be declared legally dead when there has been an irreversible cessation of all functions of the entire brain, including the brain stem (also known as whole brain death). However, individuals who do not accept this definition of brain death because of their personal religious beliefs may request that it not be applied in determining their death.

Initial the following statement only if it applies to you:

___ To declare my death on the basis of the whole brain death standard would violate my personal religious beliefs. I therefore wish my death to be declared only when my heartbeat and breathing have irreversibly stopped.

FURTHER INSTRUCTIONS:

By writing this advance directive, I inform those who may become responsible for my health care of my wishes and intend to ease the burdens of decisionmaking which this responsibility may impose. I have discussed the terms of this designation with my health care representative(s) and my representative(s) has/have willingly agreed to accept the responsibility for acting on my behalf in accordance with this directive and my wishes. I understand the purpose and effect of this document and sign it knowingly, voluntarily and after careful deliberation.
