

# Submission, Review, & Approval Process

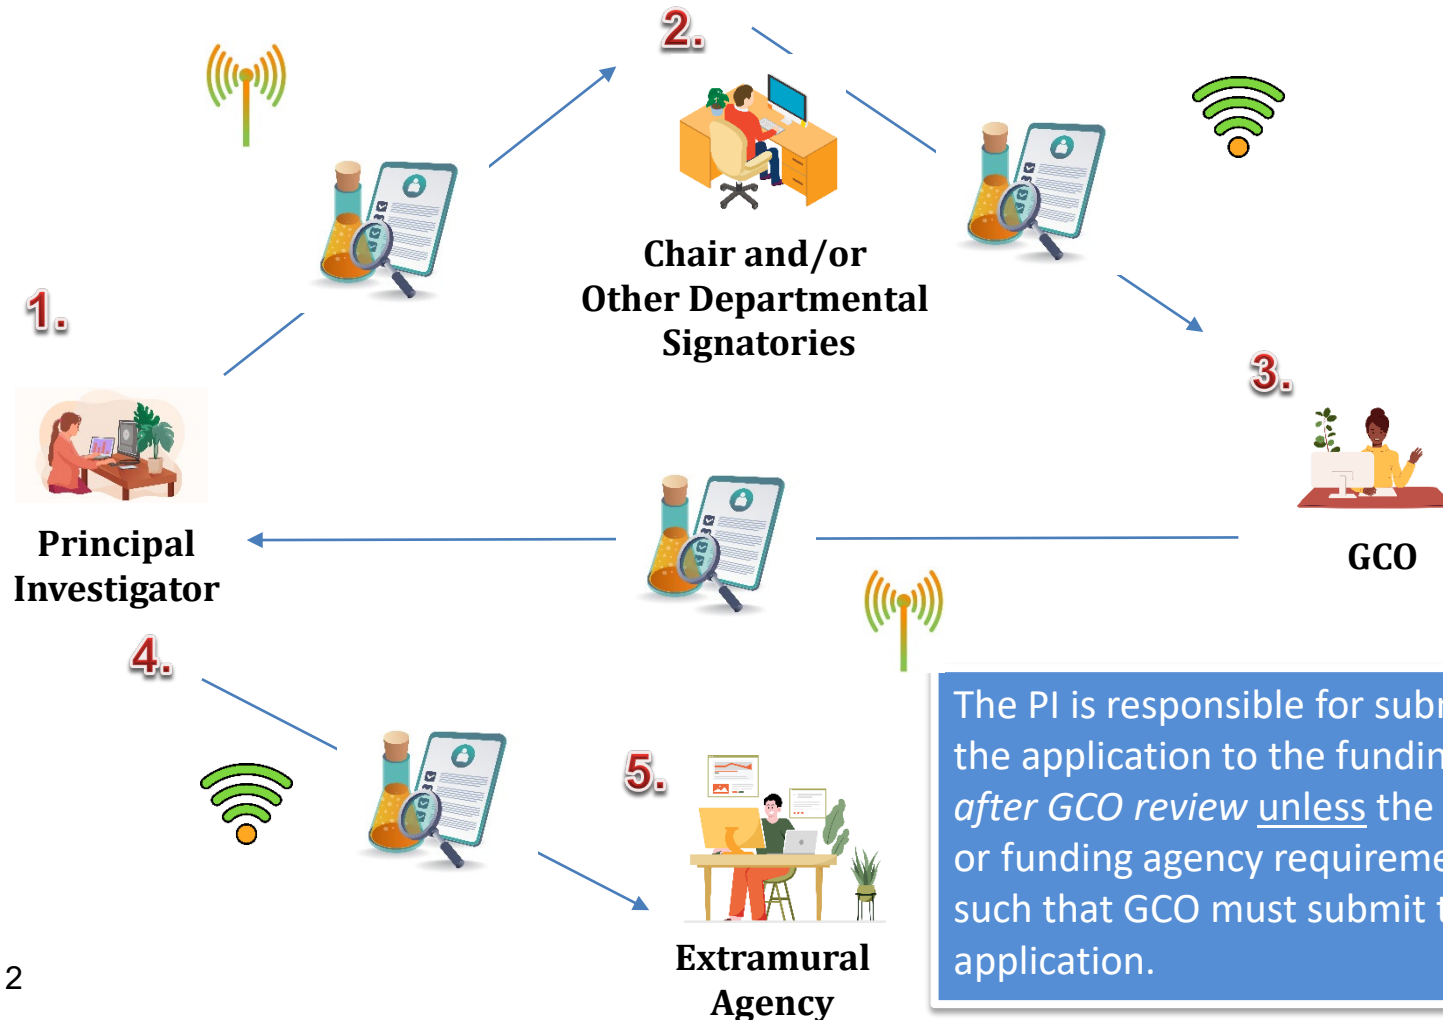

## Projects that Require the Grants and Contracts Office (GCO) to Submit Electronically

*Internally funded project? Follow steps 1 - 3.*

# Submission, Review, & Approval Process

## Projects that Do Not Require the GCO to Submit Electronically

The PI is responsible for submitting the application to the funding agency *after GCO review* unless the technical or funding agency requirements are such that GCO must submit the application.
