Bookstore

You can order medical textbooks, popular books, supplies, and Mount Sinai gifts through the Posman Collegiate Bookstore at Mount Sinai. A kiosk in the Annenberg lobby maintains a small inventory of books, clothing and other items, but most purchases are done on-line. At the time of printing of the current edition of the Guide for New Faculty (4/12), the Posman website was being reconstructed; until it is reactivated, you can phone the kiosk at 241-2665 (x42665).
