Child Care Center

Contact Information:  Tel: (212) 410-2077

Website:  Imagine at Mount Sinai Medical Center

Imagine Early Learning Centers, a private early education organization, operates a branch very close to our campus. Also known as the Louis Green and Evelyn Green Davis Child Care Center, it serves the children of Mount Sinai employees as well as families from the surrounding communities. The program, for children two months to five years old, is fully licensed by the Department of Health and accredited by the National Association for the Education of Young Children. There is often a waiting list for this popular program.
