UnitedHealthcare
Choice Plus Mt. Sinai School of Medicine

Choice Plus plan gives you the freedom to see any Physician or other health care professional from our Network, including specialists, without a referral. With this plan, you will receive the highest level of benefits when you seek care from a network physician, facility or other health care professional. In addition, you do not have to worry about any claim forms or bills.

You also may choose to seek care outside the Network, without a referral. However, you should know that care received from a non-network physician, facility or other health care professional means a higher deductible and Copayment. In addition, if you choose to seek care outside the Network, UnitedHealthcare only pays a portion of those charges and it is your responsibility to pay the remainder. This amount you are required to pay, which could be significant, does not apply to the Out-of-Pocket Maximum. We recommend that you ask the non-network physician or health care professional about their billed charges before you receive care.

Some of the Important Benefits of Your Plan:

- You have access to a Network of physicians, facilities and other health care professionals, including specialists, without designating a Primary Physician or obtaining a referral.
- Benefits are available for office visits and hospital care, as well as inpatient and outpatient surgery.
- Care CoordinationSM services are available to help identify and prevent delays in care for those who might need specialized help.
- Emergencies are covered anywhere in the world.
- Pap smears are covered.
- Prenatal care is covered.
- Routine check-ups are covered.
- Childhood immunizations are covered.
- Mammograms are covered.
- Vision and hearing screenings are covered.
This Benefit Summary is intended only to highlight your Benefits and should not be relied upon to fully determine coverage. This benefit plan may not cover all of your health care expenses. More complete descriptions of Benefits and the terms under which they are provided are contained in the Certificate of Coverage that you will receive upon enrolling in the Plan.

If this Benefit Summary conflicts in any way with the Policy issued to your employer, the Policy shall prevail.

Terms that are capitalized in the Benefit Summary are defined in the Certificate of Coverage.

Where Benefits are subject to day, visit and/or dollar limits, such limits apply to the combined use of Benefits whether in-Network or out-of-Network, except where mandated by state law.

Network Benefits are payable for Covered Health Services provided by or under the direction of your Network physician.

*Prior Notification is required for certain services.
