6th Annual Mid-Atlantic Hospital Medicine Symposium
Mastering the Care of the Hospitalized Patient

Friday & Saturday
October 28-29, 2011
Mount Sinai School of Medicine
Hatch Auditorium
New York, NY

Course Director
Andrew S. Dunn, MD, FACP, SFHM

Co-Directors
Brian Markoff, MD, SFHM
Ramiro Jervis, MD, FHM

Sponsored by
Department of Medicine
Mount Sinai School of Medicine
**PROGRAM GOALS**

Hospitalists are increasingly called upon to provide care to severely ill patients in an evidence-based, cost-effective, and patient-centered manner. Across the nation hospitalists have stepped up to meet these great challenges. These successes have led to greater demands, including being asked to provide care for critically ill patients and patients who had historically been cared for solely by subspecialists, such as patients with acute stroke, hip fracture, and HIV. In the face of these demands, hospitalists strive to become *Master Clinicians*—to be able to diagnose and manage complex diseases, incorporate high-quality evidence, and provide the individualized care that patients and caregivers expect.

Our faculty consists of nationally and internationally renowned experts who will present lectures and workshops to ensure all attendees develop expertise in essential topics. Dr. Mark Williams, Past-President of SHM and Leader of the BOOST Initiative to decrease readmissions, will be our Keynote Speaker and will inform all of best practices in *Transitions of Care*.

Our annual *Update in Hospital Medicine* session will summarize the most important trials impacting our field over the past year; *Radiology for the Hospitalist* will enhance skill at recognizing important radiographic findings, and plenary lectures on *ARF*, *Cirrhosis Management*, and *CHF* will increase expertise in common serious conditions. Hospitalists also play a central role in ensuring patients receive high-quality care in an efficient manner and will increasingly be called upon to enhance the quality and cost-effectiveness of care in the era of healthcare reform. Our lectures and workshops will allow attendees to develop expertise in these key areas and enhance their value to their group and hospital.

Our highly rated *WORKSHOPS* provide participants with a choice of *Three Tracks* in which to gain expertise. Concentrate in one of these tracks to develop expertise or mix-and-match tracks to experience a greater variety of topics:

1. **HOSPITALIST AS GENERALIST**—Includes core topics such as Glycemic Control and Pain Management.
2. **HOSPITALIST AS SPECIALIST**—Develop expertise in Stroke, HIV, and Critical Care
3. **ENHANCING QUALITY & VALUE**—Includes Using PDSA Cycles to Effectively Lead Change, What You Need to Know about Value-Based Purchasing, and How to Improve Your Patient Satisfaction Scores.

Come to increase your knowledge of core topics, learn more of subspecialty conditions, enhance your QI skills, increase your value to your hospital, and network with colleagues. In short, come to continue the quest to become a Master Clinician!

**PROGRAM OBJECTIVES**

At the conclusion of this CME activity, the participant should be able to:

- Diagnose the cause of acute renal failure and provide effective treatment
- Prescribe psychiatric medications safely while avoiding common and serious side effects
- Recognize common pitfalls in the transition process from hospital to home and enact strategies to minimize the risk of readmission
- Utilize PDSA cycles to enhance the quality of care and patient safety at their hospital
- Assess the impact of Value Based Purchasing at their hospital and how hospitalists can align with the C-Suite to achieve the needed targets
- Utilize patient satisfaction techniques to improve the perception of patients of the care they have received and consequently improve the doctor-patient relationship

**WHO SHOULD ATTEND?**

Hospitalists, General Internists, Nurse Practitioners, Physician Assistants, House Staff, Medical Students.

**ACCREDITATION**

Mount Sinai School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**CREDIT DESIGNATION**

The Mount Sinai School of Medicine designates this live activity for a maximum of **10.5 AMA PRA Category 1 Credit(s)**™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**VERIFICATION OF ATTENDANCE**

Will be provided to all professionals.

**COURSE LOCATION**

All sessions will be held in the Hatch Auditorium and lecture rooms, 1468 Madison Avenue & 100th Street, New York, NY 10029. For directions, log on to http://www.mountsinaihospital.org/visiting-us

**ACCOMMODATIONS**

A limited number of discounted rooms will be held until October 6, 2011 at the Courtyard New York Manhattan/Upper East Side, 410 East 92nd St., New York, NY, 10128 Ph: (800) 321-2211 or (212)-410-6777 Rate: $204++ per night

**CONFERENCE INFORMATION**

Website & online registration: [www.mssm.edu/cme/courses/hm](http://www.mssm.edu/cme/courses/hm) or call the Office of CME at 212-731-7950.

MOUNT SINAI SCHOOL OF MEDICINE

COURSE DIRECTOR
Andrew S. Dunn, MD, FACP, SFHM
Professor of Medicine
Chief, Division of Hospital Medicine
Medical Director, ADS Medicine
Department of Medicine
Mount Sinai Medical Center

CO-DIRECTORS
Ramiro Jervis, MD, SFHM
Assistant Professor of Medicine, Hospitalist Service
Director of Quality, Division of Hospital Medicine
Mount Sinai School of Medicine

Brian Markoff, MD, SFHM
Associate Chief
Division of Hospital Medicine
Director of Education, Division of Hospital Medicine
Mount Sinai School of Medicine

GUEST FACULTY
Tracy L. Breen, MD
Assistant Professor of Medicine
Clinical Director, Mount Sinai Diabetes Program
Division of Endocrinology, Diabetes and Bone Diseases
Director of Diabetes Care, North Shore-LIJ Health System

Mark V. Williams, MD, FACP, FHM
Professor of Medicine
Chief, Division of Hospital Medicine
Northwestern University’s Feinberg School of Medicine
Chicago, IL

MOUNT SINAI FACULTY
Scott L. Friedman, MD
Past-President, American Association for
The Study of Liver Diseases (AASLD)
Professor of Medicine
Chief, Division of Liver Diseases

Alan S. Briones, MD
Assistant Professor, Medicine, Hospital Medicine
Director, Medical Consultant Service

Dennis Chang, MD
Assistant Professor of Medicine
Director, Peri-Operative Service

Jeffrey Farber, MD
Assistant Professor, Geriatrics and Palliative Medicine
Assistant Professor, Medicine, Hospital Medicine

Lori E. Finkelstein-Blond, RN, MA, CIC
Director, Quality Assurance and Performance Improvement

Gabrielle Goldberg, MD
Assistant Professor Geriatrics and Palliative Medicine
Assistant Professor Medicine, Hematology and Medical Oncology

Thomas Kalb, MD
Associate Professor Medicine, Pulmonary, Critical Care and Sleep Medicine

Jill Kalman, MD
Associate Professor, Director, Cardiomyopathy Program

Scott Lorin, MD
Associate Professor Medicine, Pulmonary, Critical Care and Sleep Medicine

David S. Mendelson, MD
Professor Radiology
Chief of Clinical Informatics
Mount Sinai School of Medicine

Jacob Levitt, MD
Associate Clinical Professor Dermatology

Richard Mackay, MD
Assistant Professor of Medicine, Infectious Diseases
Director, Inpatient HIV Service

Kathy Navid, MD
Assistant Professor Medicine, General Internal Medicine
Director, Hospitalist Program
Mount Sinai Hospital Queens

Dennis Popeo, MD
Assistant Professor Psychiatry
Director, Geriatric Psychiatry Clinic

Brian D. Radbill, MD
Assistant Professor Medicine, Nephrology
Director of Quality Improvement, Department of Medicine

Maria Reyna, MD
Assistant Professor Medicine, Hospital Medicine

Erin Rule, MD
Instructor Medicine, Hospital Medicine

Sohita Torgalkar, MD
Assistant Professor of Medicine, Hospital Medicine

SPECIAL NEEDS
Mount Sinai School of Medicine is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you require special accommodations, call the Office of CME, 212-731-7950.

FACULTY DISCLOSURE
It is the policy of Mount Sinai School of Medicine to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.
6th Annual Mid-Atlantic HOSPITAL MEDICINE: 
Mastering the Care of the Hospitalized Patient

Friday & Saturday, October 28-29, 2011
Mount Sinai School of Medicine, New York, NY

REGISTRATION FEES

☐ Attending Physicians $275
☐ NP, PA, RN & Other Allied Health Professionals $225
☐ Residents, Fellows $150
☐ MSSM & Affiliated Physicians $175
☐ MSSM & Affiliated NP, PA, RN & Other Allied Health Professionals Residents, Fellows at Affiliates $125
☐ MSSM Residents, Fellows *Complimentary

☐ Yes, I would like additional information about SHM, Society of Hospital Medicine

LAST NAME FIRST NAME (MD, RN, etc.)
MAILING ADDRESS
CITY STATE ZIP
TELEPHONE FAX
EMAIL SPECIALTY

INSTITUTION/AFFILIATION

☐ Please indicate special dietary needs: ☐ Kosher ☐ Vegetarian

☒ Cancellation Policy: A fee of $50.00 will be retained to cover administrative costs for refunds and cancellations. All requests must be confirmed in writing to The Page and William Black Post-Graduate School two weeks before the course begins. No refunds will be made after October 21, 2011 for cancellations and for ‘no-shows’.

THREE WAYS TO REGISTER

☒ Online at www.mssm.edu/cme/courses/hm
☒ Fax this form with your Visa, M/C or AE# to 212-731-7930
☒ Mail this form with your check to:
Mount Sinai School of Medicine
The Page and William Black Post-Graduate School
One Gustave L. Levy Place, Box 1193
New York, NY 10029-6574

Enclosed is my check for $_________
payable to The Page and William Black Post-Graduate School

☐ Bill my credit card $_____ ☐ MasterCard ☐ Visa ☐ American Express

Card Number __________________________
