**THESIS**

*Students should refer to the Master's Thesis Guide for complete information.*

- □ Enroll in MPH 320 Research Methods course in Winter Term of first year.
- □ Identify Master’s Thesis topic and Thesis Advisor in collaboration with Specialty Track Advisor.
- □ Submit STATEMENT OF SUPPORT completed by Thesis Advisor indicating his/her willingness to serve as Thesis Advisor.
- □ Complete the Master’s Thesis Proposal Outline and submit to Thesis Advisor and Specialty Track Advisor.
- □ Meet with Thesis Advisor to discuss Outline and plan for development of Thesis Proposal.
- □ Write and submit the MASTER’S TESIS PROPOSAL.
- □ Meet with Master’s Thesis Advisor to review Proposal.
- □ Submit final copy of Proposal to Specialty Track Advisor.
- □ According to the agreed timeline, the student will notify his/her Thesis Advisor and the Specialty Track Advisor (if applicable) of the achievement of specific milestones and overall progress. If the student falls behind the established timeline, he/she submits an amended timeline.
- □ Submit completed MASTER’S TESIS to Thesis Advisor. When no further changes are required by Advisor or Second Reader, the Thesis is formally accepted.
- □ Meet with Thesis Advisor and Second Reader to have intellectual dialogue and receive grade. Completed MASTER’S TESIS EVALUATION FORM returned to Program Administration.
- □ Subsequent to all requirements, students must submit a final Thesis version (in hard copy) and the Master’s Thesis Deposit Form to Program Administration no later than April 15th if the student wishes to graduate in May.
