PRACTICUM PROPOSAL

On a separate piece of paper to be attached to the preceding information page, please provide the following information:

- Goal of Practicum
- Community to be served and/or Context of project
- Background information, including relevance to Public Health
- Learning Objectives
  - Objectives that will enable you to achieve the practicum’s goal.
  - What do you anticipate gaining from this experience? Discuss its relevance to public health.
- Competencies
  - Please review the Competencies (General and Track Specific) available in your student handbook and on-line and list which competencies will be covered by this experience.
- Service Objectives
  - Will this project provide a direct or indirect service to the community/context in which it is taking place?
  - If yes, please describe the service.
- Duration of Practicum
  - Include start and end dates, number of days you anticipate working each week, and an estimate of the number of hours each day.
- Follow-up
  - Do you anticipate being involved once the formal practicum period has ended?
  - Do you anticipate turning your experience into your master’s thesis?
