WHAT ARE THE SECURITY ARRANGEMENTS FOR ARON HALL?

Security provisions include doorman and security 24 hours a day, 7 days a week, an intercom from the lobby to all suites, and security cameras in elevators and ground floor areas. Students must show their Mount Sinai ID card whenever asked to do so by the security officers and doormen.

Guests must be announced and register at the doorman's desk. This helps reduce the likelihood of unwanted persons entering the building. Mount Sinai students who are entering Aron Hall in order to use the exercise room, student lounge or courtyard should sign in and leave their ID cards at the front desk while they are in the building.

As an additional safety measure, any occupant of Aron Hall may request a Mount Sinai security guard as an escort between Aron Hall and the main hospital during evening hours and on weekends.

Mount Sinai wants to work with you to ensure our campus will remain a safe place for students, faculty, staff and guests. The size (600 rooms!), high occupant turnover rate, and make-up of Aron Hall pose unique safety and security challenges. Please help the security staff improve student safety and security by following basic safety advice, and reporting any incidents to security.
