Student Work Hours Policy

Clerkship Directors disseminate the work hours policy to clerkship faculty and house-staff at Sinai and affiliates. The policy is outlined below and is also noted on the clerkship cards. Site evaluations allow students to share their experiences related to work hours.

- If a student is required to be on overnight call, then the student is required to be off duty the next morning by 9 AM
- If no overnight call is required on the clerkship, then evening call ends at 9 PM and the student is expected to return the next morning (no earlier than 5 AM on any service)
- In hospital on-call frequency: no more than every third night
- Minimum time off between duty hours: must have 8 hours off between shifts including after a 24 hour shift.
