Selected Journal Articles and Chapters

BIRC-MS

The publications categorized below were published since 1998 by the staff of the Brain Injury Research Center at Mount Sinai, in conjunction with colleagues in many other research centers.

**Accommodations for Brain Injury**

**Age/Aging and Brain Injury**

**Brain Injury Screening Questionnaire (BISQ)**

**Children and Brain Injury**

**Cognitive Functioning After TBI**

**Cognitive Rehabilitation**

**Co-morbid Conditions**

**Emotional Functioning after TBI**

**Ethnicity and Brain Injury**

**Exercise after Brain Injury**

**Fatigue, Sleep and Insomnia Post Brain Injury**

**Gender and Brain Injury**

**General Information About Brain Injury**

**Health Issues after Brain Injury**

**Medical Issues**

**Mentoring by and of People with TBI**

**Methods Re: Measurement, Research Design and Systematic Reviews**

Dijkers, M., for the Panel on Systematic Reviews and Guidelines Sponsored by the National Center for the Dissemination of Disability Research (NCDDR). (2009). When the best is the enemy of the good – The nature of research evidence used in systematic reviews and guidelines. *Focus Technical Brief*. Austin, TX: SEDL.

Dijkers, M.P. (2010). *Low-cost and no-cost steps in research design to improve the quality of evidence*. Focus Technical Brief No. 27. Austin, TX: National Center for the Dissemination of Disability Research, SEDL.

**Mild Traumatic Brain Injury, Post-Concussion Syndrome**

**Neuropsychological Testing**

Parenting After TBI

PART, PART-O, PART-OS

Participation and Participation Measurement

**Participatory Action Research**

**Perceptions of People with Disabilities**

**Policy Implications**

**POPS (Participation Objective, Participation Subjective)**

**Predicting Outcome**

**Quality of Life**

**Reporting of Research**

**Screening for Hidden Brain Injury**

**Sexual Functioning and TBI**

**Substance Abuse and TBI**

Systematic Reviews and Research Overviews

Treatments (see also, Cognitive Rehabilitation, above)

**Veterans, Military Personnel and TBI**

**Vocational Functioning After TBI**

**Other Topics**
