Materials Submission • Electronic submission of materials is recommended, and is required for all color advertisements, in the following file formats:
- PDF files ............... with all fonts and images embedded.
- InDesign ................ CSS or earlier, with all associated fonts and image files.
- Adobe Illustrator ........ CSS or earlier, with all associated fonts, or type converted to outlines, and any linked image files.
- Photoshop ............... CSS or earlier.
- Generic image formats (i.e., JPEG, TIFF, EPS).

Image files should be 300 DPI for color, 300 DPI for grayscale halftones and 1,200 DPI for bitmap line art. Avoid grayscale or color raster formats (JPEG, TIFF, PSD, etc.) with small type, which may not reproduce clearly. Convert all spot colors to process colors. The Forward reserves the right to adjust or change borders, type and settings for readability.

Send ad files by e-mail to ads@forward.com, with the title or headline of the advertisement (consistent with the insertion order) in the subject line and contact information – name(s) and phone number(s) to call in case of difficulty receiving or opening files – in the body. Fax a printed reference copy of each execution to: +1(212) 689-4255, ATTN: Advertising Production. If your file is too large to send via email, contact productions@forward.com for FTP server information, or use a third-party file transfer service, such as yousendit.com. Alternatively, send files on CD-R disk, with a printed copy of each execution and production contact information, to: Forward, ATTN: Advertising Production, 125 Maiden Lane, 8th fl., New York, NY 10038-5015. Deadline for materials is noon Eastern time on the Tuesday before each issue is printed and distributed, which is 10 days before the date printed on the newspaper.® Drawings, art and articles for reproduction are accepted at advertiser’s risk and should contain identifying information and instructions to facilitate return, if requested by advertiser.

* Important Note about Publication Dates • Please note the date printed on each newspaper represents, in the manner of magazines, the last date of retail sale for that issue, approximately a week after it is printed and distributed.

Copyright • The advertiser and advertising agency, if any, jointly grant to the Forward the non-exclusive worldwide perpetual right and license to publish the advertisement in the Forward, including in print and in any other formats or media now known or later devised, whether or not such advertisement may be individually accessed, perceived or retrieved from such formats or media. In addition, the advertiser and advertising agency assume liability, jointly and severally, for all content (including text representations and illustrations) of advertisements printed and also assume responsibility for any claims arising therefrom made against the Forward. The advertiser and agency acknowledge the Forward owns the copyright in and to the selection, coordination and arrangement of the content of the newspaper, including any advertisements it publishes, and are obligated to cooperate and/or participate in any enforcement by the Forward of its copyrights to the extent the Forward deems necessary. The Forward shall carry appropriate copyright notice in its name.

Indemnification • The advertiser and advertising agency, if any, warrant that any advertisement placed with the Forward is accurate and legal, and agree, jointly and severally, to indemnify and hold the Forward harmless from all costs, expenses (including reasonable attorneys’ fees), liabilities and damages arising in any way from copying, printing or publication of any advertisement placed by the advertiser or advertising agency.

Limitation of Liability • The Forward will not be bound by any special clauses relating to legal liability, circulation guarantees or any other condition in contracts or insertion orders that conflict with its policies including, without limitation, these terms and conditions, unless a responsible officer of the Forward has specifically agreed in writing. The Forward accepts no liability for its failure, for any cause, to insert an advertisement or for reductions in distribution caused by acts of God, strikes, labor disputes, suspension of publication, failure of transportation or any other cause beyond its control. The Forward’s liability for any error in an advertisement caused by it is limited to the amount actually paid for the first insertion of the advertisement.

Claims for Errors • Claims for errors made or caused by the Forward must be made in writing within 30 days of the date of invoice. The Forward in its sole discretion will make the final determination on the amount, if any, of a credit allowance, but in no event will such allowance exceed the amount actually paid for the first insertion of the advertisement.

Sizing & Placement • The Forward’s pages are six columns wide by 18.3 inches deep. Minimum display ad size is four column inches; minimum depths* are listed at right. The Forward may reject ads which do not meet its size and shape requirements, or may, in its discretion, charge an additional fee for non-standard sizes and shapes, which shall be disclosed to the advertiser or its agency prior to publication. Multiple ads may not be aggregated to meet minimums or fill standard units. Placement is at the sole discretion of the Forward.
