What CITI training(s) must I complete?

I am new to Mount Sinai

I work on clinical trials under FDA jurisdiction

I DO NOT work on clinical trials

- Investigator/Research Staff Basic Course
- HIPAA for Research
- Data Security for Research
- HIPAA Update

Take a recognized course in GCP*

* The PPHS recognizes the GCP course offered through CITI or confirmed attendance at a “Clinical Research - Are you doing it right?” training offered by MSSM’s Office of Research Compliance
What CITI training(s) must I complete?

I am not new to Mount Sinai

I DO NOT work on clinical trials

• Investigator/Research Staff Basic Course
• HIPAA Update
* If you have not taken a basic HIPAA/Data Security course, this is also required.
