Also located diagonally across the street from Mount Sinai West, this 33 story multi-family housing development has 465 units that are mostly studio apartments but also have one and two-bedroom apartments. All apartments contain individual heating and air conditioning units. This pet-friendly building provides 24-hour doorman service, card-operated laundry machines on the second floor and has a courtyard and nearby playground for children. Electricity service is sub-metered and charges for electricity usage are billed to the occupant. A two block walk to the Columbus Circle transportation hub, this building enjoys the convenient services of the #1, A, B, C, and D trains, #11, 31 and 57 bus lines, as well as several neighborhood parking garages and street parking spaces. For approximate apartment dimensions, see the floor plans below. For more detailed information on the building and neighborhood see the **Welcome Packet**
