#### **12. Can I book a flight with more than one destination?**

Yes, when you click the multi-city link located on the bottom screen, only three segments will be displayed initially. You can add or remove segments by clicking the Add another segment or Remove segment buttons located near the bottom of the search form. You can enter up to eight origin and destination pairs for a single trip.

#### **13. What type of information goes into my Profile?**

The information captured in AXIOM Profile is grouped into the following categories:

- Personal and employee information (name, date of birth, job title, department)
- Addresses and phone numbers (business and home)
- Emergency contact information
- Credit card information (For Hotel)
- Password information (including the option to change your password)

- Travel preferences (including airport, airline, hotel, and rental car preferences)
- Notifications, including modes of communication (email, phone) for travel itinerary reminders and updates.
- Delegates (who can book a service on your behalf and people on whose behalf you can book a service)

## Delegates

### **14. What is a delegate and who assigns my delegate?**

A delegate is an individual who is authorized to book services on behalf of someone else. You can assign your delegates via the Delegates section of your Profile. In order to assign a delegate or assign yourself as a delegate, both parties must have a completed Axiom profile set up. AXIOM will issue an email Notification to you whenever someone assigns themselves as a delegate of yours as well as the person who booked the service.

### **15. How do I assign or become a delegate?**

From your Profile page, in the Personal Information section, click the Add button next to the Delegates section, Click Become a Delegate (to book services on behalf of someone else) or Add a Delegate (to assign someone else to book services on your behalf) Enter the name of your desired delegate in the search box, and click Search. Select the person(s) for whom you wish to assign or become a delegate.

### **16. Can my delegate see all my personal information?**

Only your Credit card information is masked; your delegate will only be able to see enough data to be able to book services (i.e. the last four digits of your credit cards to be certain he or she is using the correct card). Nothing else is masked; delegates have full access to the Profile, so they can add in missing information that may be required to complete a booking as well as maintain this information on your behalf.

## Holding Reservations

### **17. Can I hold a reservation? For how long?**

AXIOM enables you to hold your travel reservation based on rules defined by the airline, hotel, or rental car company you are using. You will need to complete the purchase of your trip by the time specified when you first place the trip on hold, or else your reservation will be cancelled automatically and you'll need to start over again.

### **18. What other considerations are there when holding a trip?**

- Flight tickets will not be issued and you will not be charged for the price of your flight itinerary until the trip is purchased.
- Flight prices are not guaranteed and a new price will be applied when the trip is purchased. This new price will be displayed on the trip purchase page. If you do not want to use this fare, you will have the option of creating a new trip.

- If you are making a tentative booking for a hotel or rental car and do not cancel the trip within the guidelines specified by those vendors, then you will be responsible for any applicable cancellation fees.

### **19. When booking a flight, it indicates I am out of policy due to not booking a hotel, am I doing something wrong?**

There are many reasons why hotels are not necessary for all business trips and in these situations you can select a reason from the drop down menu and continue booking your flight.

### **20. Can the company card on file hold my hotel reservation?**

No, you must enter your personal credit card information in your profile.

### **21. What is the "Match my dates with my travel dates above" check box?**

When you select this check box, AXIOM automatically aligns the dates of your hotel reservation with your flight times.

## **Making a Rental Car Reservation**

### **22. How do I reserve a rental car?**

Reserving a rental car from the Travel "quick start" tab on the home page:

1. Select the Add a Rental Car check box.
2. Select your desired car type, airport, and pick-up and drop-off information. AXIOM will default to the car type and airport information you've specified in the Travel preferences section of your Profile. If you specify no car type, AXIOM will default to an intermediate car type.
3. Click Search to display the Choose a car page.

From this point forward, selecting a rental car follows the same path as reserving a rental car from the Trip Planner page.

### **23. What is the "Match my rental car search with my flight times and destination" check box?**

If you select this check box, AXIOM will automatically align the dates of your car rental reservations with your flight times.

## **Train Booking**

### **24. Can I book Amtrak through Axiom?**

No. Please book your ticket directly on the Amtrak website: <https://www.amtrak.com/home.html>

## Webfare and Service Level Guarantee

### **Service Guarantee**

- If the travelers are not completely satisfied with the travel management service they receive from American Express on a given trip, Amex will gladly refund our transaction fee for that trip.

### **Webfare Guarantee**

- If a traveler finds an available U.S. domestic Web airfare lower than the lowest airfare found by American Express, American Express will match that airfare or pay you the difference between that airfare and the lowest airfare offered by American Express.
- The traveler must provide (print out) flight information that will confirm that a lower U.S. domestic Web airfare was available for the same routing (within plus or minus one hour of the departure times on the American Express itinerary) of the lowest airfare offered by Amex. The Web airfare and the Amex fare must be quoted on the same day. Consolidator, soft dollar tickets and auction Web sites such as Priceline and Hotwire are excluded from the guarantee. Client must purchase the airline ticket through Amex to be eligible for the Webfare Guarantee.
- Please forward the information to an agent by calling 800-344-8212 and select prompt # 2 (agent assistance). The agent will help lock in the lowest rate.
