

Psychiatric Residency at Mount Sinai Morningside and Mount Sinai West

PSYCHIATRY GENERAL TRACK – CLASS OF 2028

Lukas Bobak

Hometown: Chicagoland

Undergrad: University of Notre Dame

Med School: Case Western Reserve University School of Medicine

Personal Interests/hobbies: My personal interests include doodling, comedy, and seeing live performances around NYC.

Professional Interests: My professional interests include psychedelics, trauma, psychotherapy, personality disorders, addiction.

Favorite part of our residency so far:

In addition to the amazing people I have met, my favorite part of our residency so far is the gradually increasing independence. I have felt fully supported diving into NYC psychiatry (which is a lot!) with seniors and attendings adjusting perfectly as I am comfortable with my developing skills.

Candace Chan

Hometown: Honolulu, HI

Undergrad: UCLA

Med School: OHSU

Personal Interests/hobbies: yoga, reading (esp about faeries iykyk), thrifting, exploring all of NYC's amazing restaurants and bars, board games (particularly catan), and baking

Professional Interests: child and adolescent psychiatry, narrative medicine, family psychiatry

Favorite part of our residency so far:

The residents and faculty in this program and at the MSW/MSM hospitals are the actual best! People are warm, outgoing, and intelligent on another level. As a west coaster, I have felt accepted but also challenged, which is exactly the experience I was looking for in residency.

Dennis Cummins

Hometown: White Plains, NY

Undergrad: Boston University

Med School: SUNY Downstate

Grad School: Hunter College Post-Baccalaureate Program

Personal Interests/hobbies: I love to cook, spend time with my family, and explore NYC

Professional Interests: Inpatient, Emergency, Addiction

Favorite part of our residency so far:

I have found my co-residents to be a wonderful and supportive group of people. The administration of the program has made the transition to residency a smooth and enjoyable process. Very happy at the program!

Breckin Horton

Hometown: Spiro, OK

Undergrad: Lipscomb University

Med School: Albert Einstein College of Medicine

Personal Interests/Hobbies: Love Island USA, interior decorating, my cat Louisa, crafting, & flea markets

Professional Interests: Addiction, Community and Public Psychiatry, Global Mental Health, and carceral care

Favorite part of our residency so far:

My favorite aspect of our program is its people.

Working with my coresidents makes every day exponentially more enjoyable. Generally, our program has a culture of warmth and helpfulness that makes for an approachable & joyful learning environment.

Eun Kyeong (Lily) Hwang

Hometown: Seoul, South Korea

Undergrad: Georgetown University

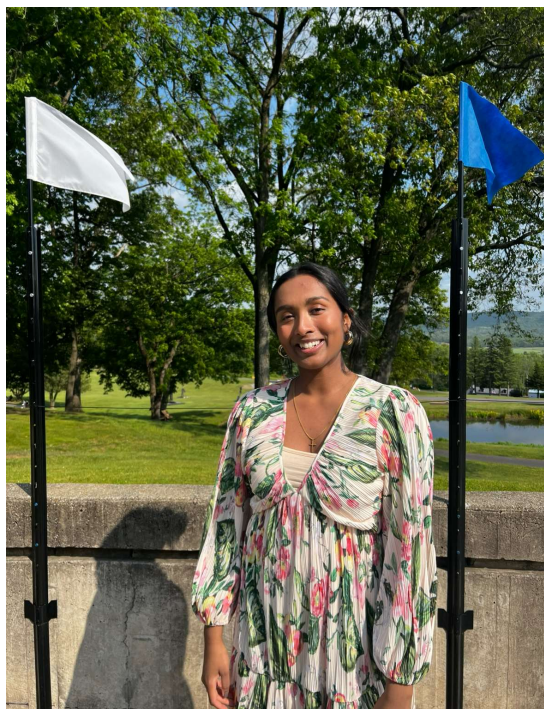

Med School: SUNY Downstate

Personal Interests/Hobbies: I love anything arts & crafts related (drawing, painting, pottery, knitting, crocheting, puzzles)! I also enjoy reading, traveling, exploring museums, and discovering new restaurants!

Professional Interests: I am most passionate about child & adolescent psychiatry, college mental health, and women's mental health!

Favorite part of our residency so far:

The community! I've felt very supported by everyone since starting residency. Plus, I love being in NYC and meeting people from all walks of life.

Dona Kiriella

Hometown: Staten Island, NY

Undergrad: Sophie Davis/ City College of New York

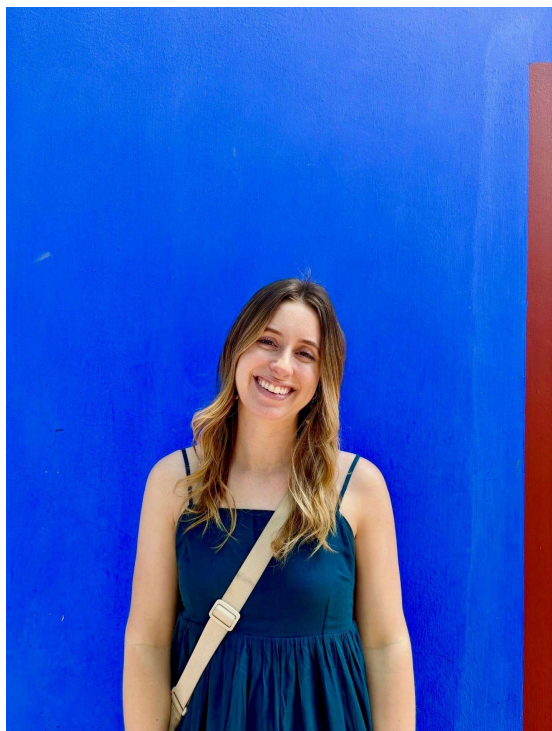

Med School: CUNY School of Medicine

Personal Interests/Hobbies: I like cooking and trying out different cuisines, traveling, and working out.

Professional Interests: Addiction psychiatry, Consultation-Liaison psychiatry, and Public Psychiatry

Favorite part of our residency so far:

The staff has been very supportive in CPEP and inpatient psychiatry and my co-residents have been amazing!

Hannah Lynch

Hometown: Longmont, CO

Undergrad: Brandeis University

Med School: New York Institute of Technology
College of Osteopathic Medicine (NYITCOM)

Personal Interests/Hobbies: I love trying all the many restaurants in NYC with friends, outdoor activities, reading, and travel when able!

Professional Interests: General adult psychiatry, community psychiatry, SMI, neuromodulation, and emergency psychiatry

Favorite part of our residency so far:

I know this is cheesy, but it's the people! I honestly look forward to going to work every day, and it has been so fun hanging with my co-residents.

Michael Mazzeo

Hometown: Brooklyn, NY

Undergrad: Macaulay Honors Hunter College

Med School: NYU Grossman School of Medicine

Personal Interests: Outdoors, recreational sports (ask me about our softball team), hiking, eating good food/cooking, traveling, and spending time with my friends and family!

Professional Interests: Personality disorders, Mood disorders, Child and Adolescent Psychiatry

Favorite part of residency so far:

The diversity in training experiences and my amazing co-residents. Some of my favorite rotations in PGY-2 were CITPD, Addiction Psychiatry, and CL psychiatry. Moving into my PGY-3 year, I have been most excited about starting training in long-term psychotherapy, group therapy, and beginning child and adolescent psychiatry intakes.

Daniel Vaccaro

Hometown: Eastchester, NY

Undergrad: Columbia University

Med School: Columbia University Vagelos College of Physicians & Surgeons

Personal Interests/hobbies: I'm a big fan of the arts, especially movies and music. I also love exploring the food scene in NYC.

Professional Interests: I'm hoping to do a CAP fellowship. I'm interested in a variety of topics—mood disorders, eating disorders, OCD, trauma, abuse, suicide.

Favorite part of our residency so far:

It's only been a few weeks on medicine, but I really enjoyed Geriatrics. I particularly liked talking to families about their loved ones.

Brett Weingart

Undergrad: Emory University

Med School: Icahn School of Medicine at Mount Sinai

Personal interests/hobbies: Hiking, doing yoga, hanging out in the park, making friendship bracelets and watching Survivor!

Professional interests: I am mainly considering doing adult outpatient psychiatry, but a part of me is thinking about pursuing a fellowship in addiction psychiatry! I've really enjoyed our training in the outpatient clinic, the supported independence and supervised freedom that comes with it, and the work we get to do with patients from all backgrounds.

Favorite part of our residency so far:

I love all of the residents I've worked with so far. Everyone is really kind, welcoming and eager to grow and learn together!

Zach Yorke

Hometown: Leesburg, Virginia

Undergrad: Virginia Tech

Med School: Eastern Virginia Medical School

Personal interests/hobbies: Love nightlife, live music, any HBO/Apple TV original show, CitySkylines, gym

Professional interests: Inpatient psychiatry, young adults with Bipolar 1 Disorder, primary psychotic disorders, queer populations

Favorite part of our residency so far:

The residents! Residency is challenging and having a good group makes all the difference. The patient population is also incredibly diverse in Manhattan.

Sonora Yun

Hometown: Brooklyn, NY

Undergrad: Grinnell College

Med School: Columbia VP&S

Personal interests/hobbies: yoga, writing, traveling

Professional interests: interventional psychiatry

Favorite part of our residency so far:

I love that most of us live in subsidized housing together in the same building — so much camaraderie and community that way.

VA SCHOLARLY TRACK – CLASS OF 2028

Josimar Hernandez Antonio

Hometown: Dallas, TX

Undergrad: UT Arlington

Med School: Icahn School of Medicine at Mount Sinai

Personal interests/hobbies: music, art, taking care of my plants, going out with friends

Professional interests: psychodynamics/analysis, psychedelic psychotherapy

Favorite part of our residency so far:
The people!

Patrick Lasowski

Hometown: San Rafael, CA

Undergrad: Washington University in St. Louis

Med School: Icahn School of Medicine at Mount Sinai

Personal interests/hobbies: I like getting active and getting outside! For me that's normally hiking, biking, lifting, surfing or really anything my friends are doing.

Professional interests: I've become quite interested in psychoanalysis as well as trauma and trauma responses in general adult and child psych. Working with the vets in the VA track is great as well!

Favorite part of our residency so far:

I've really enjoyed working at the child unit at Mount Sinai Morningside, a very intense and involved but rewarding experience. I've also really valued and been moved by some of the great work that's taking place at the VA. Both in terms of the amount and quality of resources that are

provided as well as the cutting-edge therapies that are being researched, tested and trialed, there are truly special things going on at the Bronx VA that you cannot find anywhere else in the USA and I feel very lucky to be a part of that.

Raymond Rosenbloom

Hometown: Boston, MA

Undergrad: Boston University

Med School: Medical School for International Health

Personal interests/hobbies: reading, art exhibits, running and hot yoga, travel when able!

Professional interests: Public psychiatry, social medicine

Favorite part of our residency so far:

Getting to know my new co-residents, living blocks away from central park in the residency housing, exploring everything in NYC!

Urja Shah

Hometown: Parlin, NJ

Undergrad: Rutgers University - New Brunswick

Med School: Campbell University School of Osteopathic Medicine

Personal interests/hobbies: dance, yoga, bollywood movies, discovering new vegan restaurants and tea houses

Professional interests: integrative and nutritional psychiatry, child & adolescent psychiatry, cultural psychiatry, psychotherapy, trauma & resilience

Favorite part of our residency so far:

I am so thrilled to be living in NYC. It's always been a dream of mine to live here in my 20s, and now I'm having the best time discovering unique experiences and connecting with some of the most interesting, creative, and driven people even outside of medicine.
