

Graduate School Staff

Icahn School
of Medicine at
Mount
Sinai

*Graduate School of
Biomedical Sciences*

BRADLEY GANO

Senior Associate Dean for Administration

Provides oversight of administrative staff and operations in support of a range of PhD and Master's programs, technology, student and postdoctoral affairs, career services, finance, and marketing.

COLLEEN BALDINO

Program Coordinator

Supports the Master of Science in Biomedical Sciences (MSBS) and the Master of Science in Biostatistics programs. Responsible for coordinating admissions, recruitment, marketing, and onboarding of students. Provides individual degree advising support to the MS in Biostatistics students and tracks their progress, ensuring they meet program milestones.

MARIANA BERNSTEIN

Associate Director, Instructional Technology (AIT)

Partners with faculty, TAs, and the Graduate School administration to create engaging and effective learning environments that meet rigorous adult education standards. Facilitates change in pedagogical practices for the school through collaborative processes, workshops, and consultations.

SA'HAARA BRYANT

Program Coordinator, Student Engagement and Success

Provides support for growing and strengthening the Graduate School community and ensuring that students have the resources they need to be successful during their time in our programs and beyond.

MATT CIPRIANO

Director of Postdoctoral and Student Affairs

Provides support and guidance on all aspects of student and postdoctoral affairs during the trainee experience at Icahn, while helping to develop a solid foundation for success beyond the program through a focus on career services and professional development. Oversees support for student affairs, postdoctoral affairs, and career services/professional development.

LAYLA FATTAH

Director of Program Development and Evaluation

Oversees program evaluation and continuous improvement activities. Enhances structures to obtain feedback from students, postdocs, and faculty, and to incorporate it into new initiatives and programmatic improvements.

ARJANA HABILI

Program Coordinator

Supports a variety of administrative and curricular affairs activities, including scheduling and reporting. Supports the Curriculum Committee and assists with the administration of Graduate School programs. Assists with program evaluation and accreditation initiatives.

DANIEL ILYAYEV

Director of Administration, Public Health and Health Administration Programs

Directs administrative affairs, including recruitment, admissions, and program operations for the Graduate Program in Public Health (MPH, MS Epidemiology, and Certificate), as well as the Master in Health Administration (MHA) and Master in Healthcare Delivery Leadership programs.

HERB LOPEZ

Program Manager, Health Administration Programs

Strategizes and executes marketing recruitment campaigns for the MHA and MS Health Care Delivery Leadership Programs. Manages program operations, liaising with prospective and current students on program, course, and degree requirements.

DUNSTANETTE MACAULEY-DUKULY

Program Manager, Career Services and Alumni Relations

Manages career services and alumni relations for the Masters of Public Health and Masters of Health Administration programs. Equips current students with tools to navigate their path from student to health care professional. Works to develop alumni engagement and support in the career development arena through various opportunities for interaction.

SOPHIE MILLER

Manager, Learning Environments and Business Process Optimization

Develops streamlined and automated business processes for the Graduate School. Researches, evaluates and implements systems design. Develops tools, techniques, and procedures for improving performance of system-related applications.

FATIMA NABIZADA-PACE

Director of Curricular Affairs and Program Administration

Oversees recruitment, admissions, curricular affairs, and the program management staff for the PhD in Biomedical Sciences/Neuroscience, MSBS, MD/PhD, MS Biomedical Data Science, MS Biostatistics, and Clinical Research Education Programs (MS, PhD, Certificate), as well as the PREP and SURP4US pipeline programs.

ANITA OFOSU-APPIAH

Program Coordinator, Admissions and Recruitment

Provides admissions and recruitment support for the Graduate Program in Public Health. Responsible for tracking milestones, coordinating on and off campus events, and managing communication with prospective students.

ROLAND PINZON

Program Manager

Manages all administrative aspects of the Master of Science in Biomedical Science (MSBS) and Master of Science in Biomedical Data Science (MSBDS) programs. Provides support to current students, tracks milestones, and plans program activities. Acts as liaison among students, faculty, and central services.

PERA-DEBA RAVENTHIRARAJAH

Program Manager

Manages the Applied Practice Experience (APE) and Internship requirements for the Master of Public Health and Master of Healthcare Administration programs. Supports students through site selection, provide advisement on requirements, manages student records, and prepares relevant reports.

GAURAV SAWANT

Senior Data Analyst, Program and Service Assessment

Performs analysis and prepares reports that inform programmatic and policy decisions in the Graduate School. Supports the collection of feedback from students, trainees, faculty, and alumni.

BIANCA TAYLOR

Program Manager

Manages administrative activities of the MD/PhD program. Oversees all recruitment and admissions efforts, provides student support, tracks milestones, manages NIH grant-related activities, and plans the MSTP retreat and other activities and events.

OSEI TUTU

Senior Financial Analyst

Responsible for financial operations, including budget preparation and submissions, tuition and fees accounting, check requests, fund transfers, purchase orders, employee reimbursements, stipends, funding transfers, and payroll matters.

JENNIFER VALDIVIA ESPINO

Assistant Director, Graduate Program in Public Health

Oversees the operations of the MPH, MS in Epidemiology, MPH Dual Degree, and Advanced Certificate programs, and participates in strategic planning to strengthen student support and program growth. Provides resource navigation and individual degree advising to all Graduate Program in Public Health students.

ANDREA WELLS

Program Manager, Office of Postdoctoral Affairs

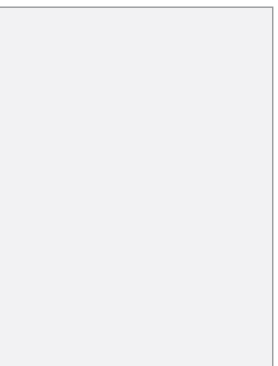

Primary liaison between the Graduate School and postdoc community, working with trainees and programs through the onboarding and orientation processes, ensuring a smooth transition into their lab in Icahn and working with them throughout their tenure at the institution.

STEPHANIE WOLFE

Program Manager

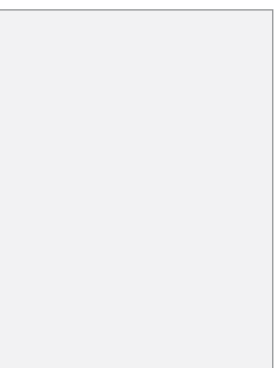

Manages student and academic affairs for the certificate, MS and PhD programs in Clinical Research. Oversees recruitment and admissions efforts, provides faculty support, tracks degree requirements, and advises students.

VACANT

Manager, Career Services and Alumni Relations

Provides support to all Graduate School students and postdocs in their career and professional development needs. Develops skills workshops, speaker events, and online resources devoted to helping trainees identify their career direction.

VACANT

Program Manager

Manages and oversees all administrative aspects of the PhD in Biomedical Sciences and PhD in Neuroscience programs. Manages the admissions process, facilitating the recruitment of future trainees, overseeing class matriculation and progress, and providing faculty support.
