

Graduate Program in Public Health - Spring II Term 2022 Course Schedule

Spring II 2022 begins on Monday, April 4 and ends Friday, June 24, 2022. Graduate Program in Public Health courses will be cancelled Thursday, May 26 (Public Health Research Day, attendance required) and Monday, May 30 (Memorial Day).

All Graduate Program in Public Health courses will offer the option for students to participate virtually through June 2022. The Program is planning for select courses to be offered in a hybrid format, consistent with school COVID-19 policies. The list of hybrid planned courses will be announced in March 2022.
