

MPH – BIOSTATISTICS TRACK

CHECKLIST AY 2019-2020

The MPH degree requires the completion of a total of 45 credits¹, an Applied Practice Experience, and a Culminating Experience. This track has 40 required credits. Remaining credits are accrued through electives, seminars and independent study. The Academic Program Office and Track Advisor should be consulted early to plan ahead for the completion of the MPH degree requirements.

TOTAL CREDITS COMPLETED (Minimum-45 credits¹): ___

- There are many steps to beginning and completing the remaining degree requirements. Please refer to the Student Handbook and guides on Blackboard > MPH Students.**
- APPLIED PRACTICE EXPERIENCE**
The Applied Practice Experience must be approved by the Program Office prior to accruing hours. Students should refer to the Applied Practice Experience Guide and the Office of Public Health Practice.
 - CULMINATING EXPERIENCE**
Depending on the track, students may choose to complete a Master's Thesis, First Author Manuscript or Capstone with guidance from an ISMMS Faculty Advisor of their choice. This project must be approved by the Program Office prior to starting work. Students should refer to the Culminating Experience Guide.
 - Public Health Research Day**
All graduating MPH students are required to present their Culminating Experience work at Public Health Research Day. All students are required to attend. Public Health Research Day includes a poster session, oral presentations, a keynote speaker, and a networking reception.

	TERM 1	TERM 2	TERM 3
	TERM 4	TERM 5	TERM 6

¹ Students who matriculated prior to Fall 2017 will be expected adhere to the requirements of their matriculation year (42 credits, MPH 0090 Practicum, and Culminating Experience).

² Students who are health providers may substitute this course with MPH0522 with permission from the Course Director.
