

MPH - HEALTH PROMOTION & DISEASE PREVENTION TRACK

CHECKLIST AY 2021-2022

The MPH degree requires the completion of a total of 45 credits, an Applied Practice Experience, and a Culminating Experience. This track has 39-42 defined credits. Remaining credits are accrued through electives, seminars and independent study. The Academic Program Office and Track Advisor should be consulted early to plan ahead for the completion of the degree requirements.

There are many steps to beginning and completing the remaining degree requirements. Please refer to the Student Handbook and guides we offer detailing these projects.

APPLIED PRACTICE EXPERIENCE

The Applied Practice Experience must be approved by the Program Office prior to accruing hours. Students should refer to the Applied Practice Experience Guide and the Office of Public Health Practice.

CULMINATING EXPERIENCE

Depending on the track, students may choose to complete a Master's Thesis, First Author Manuscript or Capstone. This project must be approved by the Program Office prior to starting work. Students should refer to the Culminating Experience Guide for detailed information about this requirement.

Public Health Research Day

All graduating MPH students are required to present their Culminating Experience work at Public Health Research Day. All students are required to attend. Public Health Research Day includes a poster session, oral presentations, a keynote speaker, and a networking reception.
