### Mount Sinai Beth Israel

- **Name of Site Director:** Czer Anthony Lim, MD
- **Email:** [czeranthoney.lim@mountsinai.org](mailto:czeranthoney.lim@mountsinai.org) Tele: 212-420-2890

## Mission Statement of Clerkship:

To provide 4th year medical students with increased independence and responsibility when caring for pediatric patients in the hospital to best prepare them for intern year.

## Goals of Clerkship:

- To develop essential knowledge, skills, and attitudes utilized in the intern year of residency.
- To provide the opportunity to function as an intern while supervised by senior residents, fellows and faculty.

## Objectives of Clerkship:

By the end of the clerkship students will be able to:

- Take primary responsibility for the patient.
- Display focused and appropriate history, physical, oral and written communication skills.
- Create prioritized differential diagnoses and management plans based on the history, physical exam, and labs/imaging.
