Based in Lincoln Square, 10 Amsterdam Avenue is a 12 story, 132 unit apartment building. Built in 1989, and located diagonally across from Mount Sinai West, the residence consists of studio, 1 bedroom and 2 bedroom apartments. Supported by 24-hour security, the building also provides a card-operated basement laundry room. All apartments are unfurnished and are equipped with dishwashers and individual PTAC units, which supply heating and air-conditioning. Electricity service is sub-metered and billed to occupants.

Adding to the convenience of being centrally located in Manhattan, 10 Amsterdam Avenue is only blocks away from neighborhood attractions such as Columbus Circle, Central Park, Lincoln Center, the New York Philharmonic, the New York City Ballet and the Metropolitan Opera. Local subway (A, B, C, D and 1 trains) and bus lines (Routes M11, M12, M31, and M57) allow access to all parts of New York City.

For approximate apartment dimensions, please refer to the floor plans and photos on the website. More information on the building and neighborhood is listed in the Building Reference Guide.
