All advertised speeds are up to the stated speeds and are not guaranteed; speed may vary due to conditions outside of network control, including customer location, sites accessed, number of devices connected, customer usage, customer equipment and computer configuration, the level of overall traffic, and customer compliance with Astound usage policies set forth in the acceptable usage policy. See astound.com/your-speed-for-why-speeds-may-vary. Modem required for Internet service. We substantiate that the cable modem equipment provided, and the configuration of such cable modem, meets the broadband speeds advertised when attached to a wired connection based on SamKnows testing procedures. Offer valid only for new residential customers or previous customers with account in good standing who have not had our service within the last 60 days. Unless otherwise specified, Internet promotional offer extends defined, set Internet pricing for the period of 24 months after installation; distinct pricing exists for months 1-24. TV rates are not promotional and are subject to change based on programming cost increases. Availability of channels, packages, TV tiers and other offerings may vary by location and are subject to change. Any additional services, such as equipment, premium channels and other tiers of service that are not part of the promotion are subject to an additional charge and regular increases. Monthly modem rental fee and/or wireless gateway may be additional. Offer expires 1/31/23. Non-standard installation may require additional outlet and special wiring fees. Price does not include Network Access and Maintenance Fee of \$9.77/month, which is subject to change. Network Access and Maintenance Fee helps defray costs associated with building and maintaining our fiber rich broadband network, as well as the costs of expanding network capacity to support the continued increase in customers' average broadband consumption. This fee is neither government-mandated nor a tax, fee or surcharge imposed by the government; it is a fee that Astound Broadband assesses and retains. Additional fees apply for taxes, surcharges, equipment, activation and installation that are not included as part of the package and are subject to change. No contract is required to take advantage of the promotional pricing and savings. No early termination fees apply in the event service is terminated in advance of the promotional end date. Customer is responsible for any accrued service charges in the event service is canceled. Subject to credit check. Visit www.astound.com/official-notice-for-additional-terms-and-conditions. Offer includes an additional \$5/month discount for enrollment in both automatic payments (autopay) and paperless billing (e-bill); valid email address required. Must enroll within 30 days of placing the order. Without enrollment, the monthly service charge automatically increases by \$5/month. Discount is for 36 months and appears on bill within 1-2 bill cycles after enrolling. If either auto-pay or e-bill is cancelled, services are changed, or account is not in good standing during the 36-month period, the \$5/month discount will be discontinued. A One-Time Activation fee of \$9.99 in addition to your installation charges will be applied. The activation fee offsets a portion of our cost of setting up your account, allocating and restocking equipment to our inventory, activating your devices (boxes/modems) on the network, and connecting your home to our services. Not all services and speeds are available in all areas. Other restrictions may apply. Same/next day install not guaranteed. Two free months applies to base package price only and will be credited within the first 6 billing cycles.
