

## Our thing is to protect all your things.

Sure, your landlord will cover the building, but protecting the stuff inside is up to you. And that's where we come in. Liberty Mutual will customize your coverage so you only pay for what you need. Renters insurance is a surprisingly affordable way to keep the things you love safe and protected. Plus, it also covers injuries at your place or damage you cause to someone else's property.

## Protection that goes with you

That's right, your coverage travels with you—whether you're out and about in town or backpacking through Europe. Your personal property is covered:

**In Your Car** Even though you hid your iPad and camera under the seat, both are stolen.

**On Vacation** Sprinklers go off in your hotel room ruining your laptop.

**Down the Street** You ride over to a friend's apartment and chain up your bike, only to find it missing an hour later.

**In Your Place** A kitchen fire causes smoke damage throughout your place.

**On the Go** Retaining your policy as you move to a new place? Your policy will protect your personal belongings 30 days from the day you start moving.

## Coverage beyond your belongings

**Personal liability** A clumsy friend tripping on your rug doesn't have to turn into a nightmare. Medical bills and legal expenses for injuries that happen at your house are covered.

**Accidental damage** Broken pipe floods your downstairs neighbor's apartment? No worries. Damage to someone else's property is included too.

## Ways you can save

**Multi-Policy Discount** We offer discounts when you have multiple policies with us.<sup>2</sup>
