

## MEDICAL STUDENT POLICY

<b>Policy Title:</b> Grading Policy Phase 1	<b>Curricular Structure:</b> ASCEND
<b>Approved By:</b> Executive Oversight Committee (EOC)	<b>Last Approved:</b> 5/17/24

### RELEVANT LCME STANDARDS:

9.6 Setting Standards of Achievement

### POLICY:

Grading for Phase 1 is on a Pass/Fail basis. The criterion for passing each module is provided to students in the Module Information Sheet. The final module grade of Pass or Fail is reflected on the student's transcript.

### PROCESS:

1. The criterion for passing each module and the passing cutoff are provided to students in the Module Information Sheet at the start of each module.
2. Grades are reported by the Office of Curricular Affairs to the Registrar.
3. Upon successful remediation of a failed module, a separate Pass grade is reported to the Registrar for a remediated module. The Fail grade remains on the transcript for the original module.
