POLICY:

This policy outlines how grades appear on a student's official transcript.

PROCESS:

Official transcripts will identify a grade for each module, course, clerkship, and elective taken at the Icahn School of Medicine at Mount Sinai toward fulfillment of the MD degree requirements.

Written narrative evaluations are not part of the transcript and will not be duplicated or mailed with transcripts; however, all clinical narratives for clinical courses and clerkships completed by the end of Year 3 are included in the MSPE.
