### Student Housing Policies

#### **Students on Scholarly Leave or Leave of Absence (LOA)**

##### **Effective July 1, 2026**

- Students on scholarly leave must vacate housing unless their work or experience is based at Icahn School of Medicine or the Mount Sinai Health System to be eligible to maintain housing or in the NYC area.
- Students returning from such leaves will be eligible to reenter Aron Hall, though we cannot guarantee reassignment to the same suite or with the same roommates.
- Short-term leaves of 30 days or less are exempt from this policy.
