Mount Sinai Housing

Student Sublet Policy

Effective May 1, 2026:

Subleasing of Aron Hall rooms will no longer be accommodated.

We will no longer permit students to sublet their Aron Hall rooms or on-campus housing, including subletting to Master's degree students. Current occupants subletting to Master's degree students with an occupancy agreement dated 2025 will be 'grandfathered' and able to continue their sublet until the end of their sublet term agreement.
