

**Tenure-track Positions in Stem Cell Biology and Regenerative Medicine**  
**Icahn School of Medicine at Mount Sinai**  
**New York, NY 10029**

The Black Family Stem Cell Institute at the Icahn School of Medicine at Mount Sinai (<https://icahn.mssm.edu/research/black-family-stem-cell>) invites applications for tenure-track faculty positions at the Assistant, Associate and Full Professor levels. The Institute serves as a hub for basic and translational research in stem cell biology and regenerative medicine across the medical school campus and is located in state-of-the-art research space. We seek highly interactive and collaborative investigators with research programs in basic and/or translational stem cell biology, regenerative medicine, and genome engineering. Candidates should hold a Ph.D., M.D., V.M.D., M.D./Ph.D. or equivalent degree and are expected to participate in research and graduate student mentoring and teaching. The Icahn School of Medicine provides an exceptional intellectual environment with outstanding facilities; generous start-up packages are available.

Applicants should submit a single PDF file containing a cover letter, CV, and a 2-3 page statement of research interests. Please name the file as: **Applicant'sLastName.Applicant'sFirstName.pdf**.

Applicants should also arrange to have three individuals send confidential letters of reference. Please have the letters named as: **Applicant'sLastName.Applicant'sFirstName\_Referee'sLastName.pdf**.

Completed applications and letters of reference should be submitted via email to: [bfscifac\\_search@mssm.edu](mailto:bfscifac_search@mssm.edu) and will be reviewed on a rolling basis with a deadline of **October 15, 2019**.
