Research Services and Resources

Dear Research Community,

Below is a summary of COVID-19 funding opportunities recently released from the funding opportunity database SPIN. For more information on the SPIN FOAs, click [here](#).

Please note that some opportunities have rapidly approaching deadlines. Previous COVID-19 funding opportunities that have been circulated via the listserve are posted on [GCO's Funding Opportunities](#) page and on the [ORS Research Roadmap COVID-19 Funding Opportunities](#) page organized by due date. COVID-19 opportunities funded by the CTSA program of NCATS can also be found in [The Conduit newsletter](#).

In addition, please review the [SPIN Getting Started Instructions](#) for information about beginning your individual search.

The Grants and Contracts Office

For more information about the SPIN opportunities, click [here](#). A summary is below.
