REQUEST FOR POST-MORTEM EXAMINATION

Patient Care Unit: _____________________ Primary Attending: ________________________________
Date of Death: _____________________ Time of Death: _____________________ (AM/PM)

PERMISSION:
I, (printed name) ____________________________________________, the (relationship to the deceased) ___________________________________________, of the deceased (name) ____________________________________________, being entitled by law to control the disposition of the remains (priority Next-of-kin), hereby request the pathologists of __________________________ to perform an autopsy on the body of said deceased. I understand that any diagnostic information gained from the autopsy will become part of the deceased’s medical record and will be subject to applicable disclosure laws.

Retention of Organs/Tissues:
I authorize the removal, examination, and retention of organs, tissues, prosthetic and implantable devices, and fluids as the pathologists deem proper for diagnostic, education, quality improvement and research purposes. I further agree to the eventual disposition of these materials as the pathologists or the hospital determine or as required by law. This consent does not extend to removal or use of any of these materials for transplantation or similar purposes. I understand that organs and tissues not needed for diagnostic, education quality improvement, or research purposes will be sent to the funeral home or disposed of appropriately.

I understand that I may place limitations on both the extent of the autopsy and on the retention of organs, tissues, and devices. I understand that any limitations may compromise the diagnostic value of the autopsy and may limit the usefulness of the autopsy for education, quality improvement, or research purposes. I have been given the opportunity to ask questions that I may have regarding the scope or purpose of the autopsy.

Limitations: □ None. Permission is granted for a complete autopsy, with removal, examination, and retention of material as the pathologists deem proper for the purposes set forth above, and for disposition of such material as the pathologists or the hospital determine; or

□ Permission is granted for an autopsy with the following limitations and conditions (specified):
